---

Projects

Travlmate- Live Demo | GitHub Repo   Jan 2021

Front-End user friendly web app that collects travel information displayed in a dashboard.

- Lead a team of four in creating a web app that uses Javascript and Web APIs to provide useful travel information. Easily accessible and displayed nicely in a dashboard to help users better prepare for their trip.
- Tools used: HTML5, UIkit, CSS, JavaScript, jQuery.
- APIs: travelbriefing.org.api, ratesapit.io, restcountries.eu

SourcE-commerce- Live Demo | GitHub Repo   March 2021

Full-Stack app with simple built in authentication providing an e-commerce storefront for customers as well as business owners to track inventory and sales performance.

- Collaborated within a team of four to bring the app together, primarily contributed authentication and front-end pages where it is required.
- Tools used: Handlebars, CSS, JavaScript, Bootstrap, Node.js.
- Dependencies: Express, MySql, Sequelize ORM, Crypto.js, Middleware; cookie-parser & body-parser.

Experience

Field officer Southern Habitat   2020- current
                                                                          Sydney, NSW

Contributed to conservation and land management projects all around Sydney.

Highlights:
- Removing existing weeds via mechanical slashing, brush-cutting and herbicide application.
- Planting, watering and maintaining revegetation of 5000 plants across Cahill Park, Sydney.
- Installing tree guards to support Eucalyptus trees for koala conservation project.
- Installing jute matting as measures for erosion control.
- Maintaining habitat and encouraging bird biodiversity at Scarborough park, Sydney.

Operations Expert Apple Retail   **2017-2020**
                                                                         Sydney, NSW

Being at the core of every customer's journey by controlling the store's entire inventory - products, parts, tools, supplies, and everything else.
Highlights:
- Leading a team to achieve daily success.
- Organised daily schedule and set team responsibilities.
- Encouraged and maintained team morale.
- Mentored and coached team one on one and in group setting.
